TEA IN THE CAUCASUS.

Alibabad, 31st May.
The Russian Official Messenger gives some interesting details of the attempt that is to be made in the Caucasus to introduce tea to the industry. A tea factory has been started by the authorities near Batumi, and machinery of the latest type is used in India and Ceylon has been ordered to supply tea to the factory.

The paper states that the Russians prefer Chinese tea to that of India and Ceylon, and accordingly every effort is to be made to produce an article as much like the former as possible. With this view experts have been invited from Central China to assist and advise the local grower.

CRICKET.

Alibabad, 30th May.
The Pioneer's correspondent telegraphs, under date, London, 30th May, as follows:

The recent wintry rain with frosty nights and clear days in the day time has somewhat unsettled cricket, but the improvement in the weather in the last day or two has again brightened the prospects of the Australian Tour.

At Manchester on a difficult wicket was very much more. Trumble making 52, Trumble 31, and only 36. With the exception of Trumble, who ran up 44, the English failed miserably to resist the visitors' attack, and were not in the second innings for a total of 81. Trumble altogether took 7 wickets for 38, and Noble 5 for 38.

In the match between Yorkshire and Essex, Rhodes, who was in splendid form, and took altogether 15 wickets for 50 runs, was mainly responsible for the collapse of the southern county.

Essex with a total of 479 for one innings, of which Killalee made 140, crushed Somerset by an innings and 49 runs.

The Oxford & Worcester county match ended in a handsome victory for Worcester, thanks to Arnold, who in the second innings made 125 not out.

Surrey beat Cambridge University by 171. It is to be noted that the match was played in England in the first match on Thursday at Nottingham. Dr. W. G. Grace, Messrs. Jackson, C. O. Fry, K. B. Banting, J. Gunn, Messrs. Horne, Rhodes, Brockwell, Shephard and Mould.

The cricket match decided today as follows: Essex defeated Kent by 108 runs.

Essex defeated Kent by 108 runs.

Surrey beat Cambridge University by 171.

The effect of the late heavy rain on the results of cricket has been immediate and striking, the balance everywhere prevailing and centuries becoming common.

Essex among the last scores is 367, not out to 66 of 40, who was at the wicket for 84 hours and brought the Surrey total in the match against Somerset at the Oval to 611. Both the individual score and the total are records.

Other centuries were Hayward 158 and V. F. S. Crawford 128. Somerset was demolished. The Oxfordshire cricket team, who were the first century against the Australians, batting for 24 hours and running up 121. The University led in the first innings, but thanks to Noble's 100 and Darling's 100, the visitors ran ahead in the second scoring, 300 for four wickets and another 50 for one.

Yorkshire's defeat by Middlesex was mainly due to P. Warner, who put on 150 by perfect cricket, and a shilling 105 by Trot.

In the match London County Club against Worcester, W. G. Grace made 175, not out, and Arnold for Worcester 102.

In the match between London County Club and Worcester, W. G. Grace made 175, not out, and Arnold for Worcester 102.
